

Herman Andrés Echeverría Rojas

Front-end & Database Developer

herman.andres.echeverria@gmail.com andresecheverria.com github.com/HermanEcheverria Guatemala

PROFILE

Final-year Systems and Computer Science Engineering student focused on front-end and databases. Experience in support and consulting, Odoo implementation, and data cleaning and migration with SQL and Python. I work in an orderly, clean way and I am always looking for new certifications and challenges.

EXPERIENCE

Support Engineer · GIT Guatemala

2023 – 2024

Customer support and consulting.

Internship · Merco Agro

[PENDING: dates]

A company selling fertilizers and farming supplies. As a team we implemented their CRM in Odoo and cleaned their database; data kept in Excel was migrated with SQL and Python.

[Odoo](#) · [CRM](#) · [SQL](#) · [Python](#) · [Data migration](#)

Internship · Grupo PIT

[PENDING: dates]

Cleaning and deduplicating the data in their records.

PROJECTS

Online store for a coffee brand

2026

Catalog, cart and orders confirmed over WhatsApp, with an admin panel to manage products and orders.

[Next.js 16](#) · [Payload CMS](#) · [PostgreSQL](#) · [Tailwind CSS](#) · [Playwright](#)
